Remarks

This 3 bedroom/1 bathroom beauty is ready for its next owner. On a corner lot, just 3 blocks from downtown East Tawas, it is just a walk away to the state dock, shopping, beach, and restaurants. In the last 2 years the garage & covered patio received a new metal roof, there was a new sewer pipe installed, and, new carpet in the living room, dining, room, and main bedroom was installed (NOTE: The hardwood floors remain under the carpet in the living and dining room areas.) There is a basement for ample storage where the laundry area resides.
